

National Women's Safety Day

- National Women's Safety Day was observed with great enthusiasm on November 25, 2025 at Kumari Vidyavati Anand DAV College for Women, Karnal, organized by the Internal Complaints Committee, Women Cell, and Gender Audit Committee under IQAC. The program commenced with an inspiring address by Principal Ms. Meenu Sharma, who highlighted the growing concerns related to eve-teasing and gender-based violence. Following the inaugural address, students participated in an interactive session that encouraged open dialogues and reflection on everyday challenges faced by women. A short film highlighting issues of women's safety and empowerment was screened, which further deepened the students understanding and sensitivity toward the topic. The event concluded with a pledge ceremony, where faculty members and students took an oath to stand against all forms of harassment and discrimination, and to promote a culture of respect, equality, and safety within and beyond the campus. The observance of National Women's Safety Day served as a meaningful step toward strengthening awareness and fostering a supportive community committed to women's well-being.

Dr Manju Singh, Dr Sunit Bhandari, along with the members of the IQAC cell extending a green welcome to Principal Ms. Meenu Sharma.
