MEMORANDUM OF UNDERSTANDING

BETWEEN

KUMARI VIDYAVATI ANAND D.A.V. COLLEGE FOR WOMEN, KARNAL

AND

YASH FOOD PRODUCTION, DELHI

This Memorandum of Understanding (MOU) represents a formal agreement between Kumari Vidyavati Anand D.A.V. College for Women, Karnal, Haryana (a higher education institution, hereinafter referred to as "the College") and Yash Food Production, Delhi (hereinafter referred to as "the Industry").

The College and the Industry recognise the importance of collaborative efforts to enhance the educational experience of students and facilitate their transition into the workforce. The MOU sets forth the terms and conditions of the collaboration.

The purpose of this MOU is to establish a framework for cooperation and partnership between the College and the Industry in the field of Food Processing & Preservation. Through this memorandum, both parties aim to achieve the following objectives:

- Collaborative Education: The College and the Industry will explore opportunities for joint skill development and educational programmes focusing on areas of mutual interest such as current practices and technologies of food preservation, processing of various food items, different methods of preservation, packaging of processed foods, food quality control etc.

Karnal

- **Internship and Practical Skill Enhancement:** Both parties will work together to develop internship and skill based learning opportunities that provide the students with hand – on experience in the field of Processing & Preservation of Food.
- **Guest Lectures and Workshops:** Various guest lectures, workshops, seminars and professional development sessions, will be organized by the Industry for practical learning in the field of Food Processing & Preservation and the college will provide adequate space and technical assistance.
- **Professional Mentorship and Guidance:** The college students interested in pursuing careers in Food Processing and Preservation, offering career advice, networking opportunities and professional development resources will be guided and mentored by both the parties.
- **Community Outreach:** Both parties will collaborate in community outreach activities and promotion campaigns aimed at creating innovative ideas about food processing, preserved food products, other nutritive processed products in the local community.

Purpose and Scope:

- The purpose of this MOU is to establish a collaborative relationship between the College and the Industry and provide professional guidance and expertise in the field of Food Processing & Preservation.
- The scope of this MOU includes imparting knowledge about processing of various food products, variety of preserved foods and various other processed products to college students, faculty and staff.

Responsibilities:

- The college shall support the organization to deliver demonstration services related to baking and chocolate making.
- Maintain confidentiality and adhere to professional standards.

This MOU shall be in the effect from October 16, 2025 and will be for a period of three years and can be extended further by mutual consent.
