

## World Earth Day on Theme “Chemistry for a Green and Sustainable Planet.”

The Department of Chemistry, Kumari Vidyavati Anand D.A.V. College for Women, Karnal, under the aegis of IQAC, successfully celebrated World Earth Day on April 22, 2026, with the theme “Chemistry for a Green and Sustainable Planet.”

The programme aimed to create awareness about environmental protection and the vital role of chemistry in promoting sustainable practices. Dr. Manju Singh, Head of the Department of Chemistry, delivered an insightful awareness talk highlighting innovative chemical approaches for environmental conservation.

The event featured a short film on sustainability, followed by an engaging interactive discussion where students actively explored solutions to current environmental challenges. A quiz competition was also organized to reinforce learning in an interesting manner.

The celebration witnessed enthusiastic participation from students and faculty, reflecting a shared commitment towards building a greener and more sustainable future.
