

Artificial Intelligence Course in collaboration with Samsung Innovation Campus

Brochure of the AI Course

Kumari Vidyavati Anand D.A.V. College for Women, Karnal has organized the **Artificial Intelligence (AI) course** under the **Samsung Innovation Campus (SIC) program**, implemented in collaboration with **Telecom Sector Skill Council (TSSC) and Focalyt** for the students of BCA Final Year of Computer Science Department. A total of 50 students were registered. SIC distributed the course joining kit to the students. It was 270 hours AI course. The Course started from December 15,2025 to March 25,2026. Students attended the AI course with regularity and sincerity. The aim of this AI courses was to provide high-demand technical skills in machine learning, data analysis, and automation, resulting in better employability, higher salaries, and career opportunities across diverse industries like healthcare and finance to the final year students of BCA. This courses will enhance productivity by enabling students to automate tasks, improve decision-making, and create innovative tools, preparing them for an AI-driven future

The event was graced by Principal Mrs. Meenu Sharma as the Chief Guest. In her address, she highlighted the growing importance of Artificial Intelligence in today's digital era and encouraged students to continuously upgrade their skills and embrace innovation. The event was also attended by Dr. Sakshi Aneja, Assistant Professor & Head, Department of Computer Science, and Prof. Harbinder Kaur, who appreciated the students' efforts and emphasized the importance of such industry-oriented programs in preparing them for real-world challenges. Students were awarded with certificates for successfully completing the training and gaining industry-relevant skills.

Representatives from Focalyt, including Sunant Sharma, Manmohan Singh, Sachin Mishra (Vice President), and Jasveer Kaur (Academic Coordinator), were also present. They highlighted the objective of the SIC program in equipping youth with future-ready skills and enhancing employability opportunities.

Students shared their learning experiences and expressed that the training provided valuable exposure to project-based learning, problem-solving, and practical applications of AI.

डिजिटल स्किल्स से सशक्त हुई छात्राएं, सर्टिफिकेट प्रदान किए केवीए डीएवी कॉलेज में एआई कोर्स का समापन

केवीए डीएवी कॉलेज में एआई कोर्स पूरा कर सर्टिफिकेट लेती छात्राएं।

भास्करन्यूज़ | करनाल

केवीए डीएवी कॉलेज फॉर वुमेन में सैमसंग इनोवेशन कैंपस के अंतर्गत संचालित आर्टिफिशियल इंटेलिजेंस (एआई) कोर्स का समापन हुआ। टेलीकॉम सेक्टर स्किल काउंसिल और फोकलिट के सहयोग से आयोजित इस कार्यक्रम के तहत 50 छात्राओं को प्रमाणपत्र प्रदान कर सम्मानित किया गया। समारोह की मुख्य अतिथि प्रधानाचार्य मीनू शर्मा रहीं।

उन्होंने कहा कि डिजिटल युग में

आर्टिफिशियल इंटेलिजेंस जैसी उभरती तकनीक युवाओं, विशेषकर छात्राओं, के लिए नए अवसरों के द्वार खोल रही हैं। उन्होंने छात्राओं को निरंतर सीखने, नवाचार अपनाने और आत्मनिर्भर बनने के लिए प्रेरित किया। कार्यक्रम में विशिष्ट अतिथि के रूप में कंप्यूटर साइंस विभाग की अध्यक्ष डॉ. साक्षी अनेजा और प्रो. हरबिंदर कौर उपस्थित रहीं। इस मौके पर सुनंत शर्मा, मनमोहन सिंह, उपाध्यक्ष सचिन मिश्रा व जसवीर कौर मौजूद रहे।
