

Workshop on “Role of AI for Business Solutions”

The Department of Computer Science under the aegis of IQAC (Internal Quality Assurance Cell) and IIC (Institution's Innovation Council) in collaboration with Pune Institute of Business Management (PIBM) organized an insightful Workshop on “Role of AI for Business Solutions” on September 22, 2026 at Audio-Visual Lab, Science Block, 4th floor. The aim of the workshop was to acquaint students with the growing applications of Artificial Intelligence in the business world and its potential to transform modern business practices. The workshop was conducted under the able guidance of Principal Ms. Meenu Sharma.

The resource persons for the workshop were Dr. Saroj Verma, Corporate Trainer/Speaker; Mr. Ankit Kumar, Regional Head; and Mr. Abhishek Pandey, Business Development Manager, Pune Institute of Business Management, Pune. The distinguished speakers shared valuable insights into the evolving role of Artificial Intelligence in business solutions, decision-making, automation, customer engagement, data analysis and organisational growth.

Dr. Saroj Verma highlighted the significance of developing AI-oriented skills in the rapidly changing professional landscape and encouraged students to explore emerging technologies with a practical and innovative approach. Mr. Ankit Kumar and Mr. Abhishek Pandey elaborated on the industry perspective of AI and discussed how businesses are increasingly adopting AI-based tools and solutions to improve efficiency, productivity and competitiveness.

The workshop provided students with an opportunity to understand the practical relevance of Artificial Intelligence beyond academics and to explore its applications in various business domains. The interactive session also encouraged students to ask questions and engage with the experts, making the workshop informative and enriching.

The Principal, Ms. Meenu Sharma, appreciated the initiative and emphasised the importance of equipping students with contemporary technological knowledge and industry-oriented skills.

The workshop concluded with a vote of thanks to the resource persons, college authorities, faculty members and students for their valuable contribution towards making the programme successful. 142 students attended this workshop.

Dr Manju Singh (IQAC Coordinator), Dr Sunit Bhandari(IIC Convener), Dr Sakshi Aneja(Head, Department of Computer Science) and all the faculty members of the Computer Science Department were also present in this workshop.
