6. Governance, leadership and Management

6.1 State the vision and Mission of the institution.

Vision

Inspired by Swami Dayanand Saraswati's vision of the potential in women and the need to educate and empower them, this college envisions to provide a distinct environment of excellence in education with human values and social commitment to girls and to enable them to reach their full potential as human beings, individually and as members of the society. We also instil in our young students rational perspective, positive mindset, innovative thinking, integrated personality, self-esteem and sense of responsibility.

Mission

Education has a two-fold function to perform in the life of a person. The one is service to society and the other is to uphold our valuable culture. We enable women to become more efficient and achieve with increasing facility the legitimate goals of their life by adopting the quintessence of life. We also prepare and lead the young women towards swift, steadfast and effectual thinking, views and judgment.

Aims

- To have a positive connection between dreams and reality where hope meets truth and humanity, which evolves towards a better and brighter future by developing young girls into technology trained and morally strong beings.
- To focus on academic excellence by using latest technologies- Computer based teaching, using internet and multimedia to produce new millennial learners and a technology savvy generation.
- To provide well established linkage with the academicians, professionals to cater the need of training, placement and career advancements.
- To provide space to young girls to freely express their views so that they can respond effectively to the changing circumstances.
- The college earnestly endeavors to enrich and empower all its beneficiaries through value-based, quality education and through participative, positive and fertile teaching learning environment based on the principles of caring and sharing.

Objectives

Kumari Vidyavati Anand D.A.V. College for Women, Karnal was founded in the year 1958 and now advancing the aegis of D.A.V. Managing Committee, New Delhi with the avowed aim of spreading the benefits of education to women, synchronizing tradition with modernity.

- Epitomizing the philosophy of "Vidya Dadati Vinyam", the college is committed to perceive that all the learners grow up to be refined human beings and be able to assume positive and fulfilling role in nation building and promoting a culture of peace and prudence.
- Envisioning Education to lead to self-realization and self-emancipation through a

holistic process of disciplined study of socio-cultural and recorded annals of human thought, logic, experiment and analysis for a gradual evolution towards a better humanity. Thus, we empower and groom young ladies to stand undeterred while walking over rough terrain during the journey of life. We envision the creation of excellent human resource through integration of multi-dimensional Personality Development Programmes with college curriculum.

6.2 Does the institution has a Management Information System?

Yes, our institutions do have a Management Information System. The head of the institution and management are always in interactive mode with each other Our Principal receives written reports of the growth of the institution and its achievements in various fields, term-wise and annually from the faculty and forwards these to the management from time to time. . College publications like News bulletin, information brochures, e-mails and newspaper reports keep the information channel open to the management. The Heads of departments work with great efficiency and effectiveness to ensure the smooth functioning of the activities of the department in collaboration with other members of the department. Regular meetings of the Staff Council are held to discuss and decide on matters relating to academics and administration. For the smooth and effective functioning of the College, interactions with stakeholders comprising of faculty, parents, alumnae and the students, are regularly organized. Feedback received from faculty, students, alumnae and other stakeholders are considered seriously for continuous review and revision of the existing infrastructure and facilities.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- The task of Curriculum Development is undertaken by our esteemed affiliating University, i.e., The Kurukshetra University Kurukshetra and the same is followed very strictly in our college. The University recruits the members of Board of Studies according to the seniority of the teachers to design the curriculum of the various courses. Therefore, we also have a few faculty members on the Board of Studies of Kurukshetra University from our college. These members exchange views with other teachers/ chairpersons of the concerned department to design the curriculum.
- All the concerned departments of the college prepare a teaching plan based on the curriculum prescribed by the Kurukshetra University Kurukshetra at the beginning of each academic session in order to streamline classroom teaching.
- In order to survive in the cut throat competition in this global era, our college has introduced dual degree programs in order to increase the employability of our students. As the name suggests, the course has an intensive, work based curriculum which braces the students for gaining practical skills which they may not get in an integrated programme. It is a type of part-time course which can be pursued with any regular course of study.
- The college has been sanctioned permission to run Diploma in Health Care by UGC under Community College Scheme It is much sought-after as it is job-oriented course. The number of seats offered is 50 and 5% extra for physically handicapped students.

- B. Voc. programme of the UGC was sanctioned only on the basis of excellence in designing of the curriculum of each course prepared by the departments.
- Students are advised to opt for at least one add-on course to take advantage of hands-on training and developing skills which is the need of the hour in this world of globalization and competition.

6.3.2. Teaching and Learning

1. An Academic Calendar is issued by Kurukshetra University Kurukshetra, at the beginning of each academic session, which is followed by the college. To increase the efficiency, A Monthly Activity Calendar is further prepared by the college as per the schedule given in the University Academic Calendar, which is also published in the College Prospectus.
2. A teaching plan is prepared by each and every department as per the syllabi prescribed by the University for Different Courses for the current academic session. Most of the teaching activities are based on the guidelines given in the teaching plan.
3. Teaching is further enhanced with the help of ICT tools like smart boards, visualizers, projectors, computers, Multi-media tools, etc. Useful study notes from different websites are also made available to the students.
4. Individual student profile is assessed after the University examination results are out.
5. Seminars, Extension Lectures, Workshops, Screenings of Documentary Films and Literary texts, etc. are regularly organized by different departments to further enrich the contents and texts.
6. Educational tours, field visits, surveys are organized to supplement routine classroom teaching.

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

1) Providing Skill-based education to the students: The classroom teaching centres on real-world skills and competency development. Thrust is laid on skill development and entrepreneurship through courses such as Multimedia/Animation/Web-designing, Health Care, GIS & Remote Sensing, Food Science and Quality Control, Functional English, Fashion Designing, Cosmetology etc.

2) Organizing Workshops: Academic gatherings are important to a student's role as a pursuer of knowledge. Their knowledge is enhanced by stimulating exchange of ideas with esteemed scholars and dignitaries. To boost the academic exposure of our students, the following workshops were organized in the college :-

- Creative Writing in English.
- Fashion Maker Machine, “TUKA CAD”, Printing & Painting, “Overlock Machine”, “How to Keep Ourselves Healthy without Medicine”, “Fashion Trends & Forecasting”, Weaving and Dyeing, Art and Craft, Baking, Knitting, First AID, “Different Types of Haircuts”, Make up.
- Career Prospects in Food Science and Quality Control, Instrumentation in Food Analysis and Quality Evaluation, Food Laws and Standards, Implementation of Entrepreneurship Skills.
- Implementation of Food Standards in Food Industry, Rapid Methods of Microbial Analysis, Development of Functional Food, Utilization of Fruit and Vegetable Industry Waste for Value Added Products.
- Medicinal & Aromatic Plants, Fish Taxonomy.
- Motivation & Career Building.
- Strengthening Women Towards their Rights & Duties, Cyber Crime.

3) Organizing Industrial Visits: Industrial visits bridge the gap between industries and institutions. By showing students what actually goes on at a place of work, they give an objective overview of a particular business environment enabling the students to achieve a greater awareness of careers and opportunities in a particular subject area. The following visits were organized for our students :-

- Weaver Service Centre, Panipat.
- Ashwani Knit, Ludhiana.
- Nahar Group of Companies, Laldu.
- Yakult Food Industry, Sonapat.

- Centre of Excellence of Vegetables, Gharaunda.
- Bio-Age, Mohali.

4) Promoting eco-friendly ways on the campus through:

- Successfully implementing the “paperless office” scheme over the past few years by urging the administrative staff to switch over to paperless operations. It helps not just the environment by reducing the carbon footprint but also improves the efficiency of the workplace as well.
- Promoting the government’s “Go Green” drive by gifting plants to the various dignitaries and chief guests presiding over the college events.
- Conserving energy by installing energy efficient LED lamps and bulbs in the college premises.
- Disposing of old computers and other electronic gadgets for effective E-Waste management.
- Recycling and reusing the old furniture for optimal usage of the available resources.
- Organizing eco-awareness campaigns to create an eco-friendly attitude amongst our students. This includes a motivational address by a subject expert from the vicinity. Various competitions like Declamation contest, Painting competition, Quiz contest and PowerPoint Presentation competition are organized too.
- Rain Water Harvesting System has been installed in the newly built Hans Raj Block for overall property maintenance and landscaping needs.
- Eco-Club, NSS, NCC etc. create eco-consciousness at different levels.
- Solar Cookers have been installed in the Home Science Lab to minimize LPG consumption.
- Tree Plantation Drives are organized with the help of the State Forest Department to transform our students into a community of passionate tree lovers who actively work towards preventing loss of green cover and promoting afforestation.
- The college bus and other motor vehicles have a valid PUC certificate.
- Ozone day was celebrated by Dept. Of Botany on September 16, 2016.
- An Extension Lecture on “Environmental Conservation” was organized by Dept. of Botany on September 19, 2016. Mr. Vijender Singh, District Forest Officer, Karnal, Haryana was the resource person. Various environmental problems and the need for forest conservation was deliberated upon.

5) Diwali Exhibition: This exhibition brings together the best of food, shopping and fun where everyone soaks in the true spirit of Diwali. The students of Home Science, Fashion Technology, Cosmetology and Food Processing showcased their stellar creativity in the

Diwali exhibition organized on Oct. 25, 2016. The exhibition is all about promoting various student initiatives. The exhibition featured festive Diwali products like fancy diyas, Rangoli colors, colored chips, floating candles, shagun envelopes, handkerchief, pooja thali etc.

- 6) **SPIC MACAY:** SPIC MACAY Cultural Heritage Fest was organized on Jan. 11, 2017 in order to make our students appreciate the cultural richness of India. Live concert of “Violin” by renowned violinist Ms. Anupriya Deotale was also organized.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- Teaching Plans on the prescribed University syllabi were submitted to the Heads of all the teaching departments of the college in the beginning of the session.
- Syllabus completion certificates were submitted to the HoDs by all the faculty members at the end of the session.
- Feedback was collected from the students at the end of the session.
- Workshops were organized.
- Extension lectures were organized.
- Movies were screened on the prescribed texts for the students of MA English.
- Educational trips and Industrial visits were organized.
- ICT based learning was promoted.
- Remedial Classes for weak students and inattentive students was organized.
- Results of all the students were analyzed for further improvement.
- Skill based education was given to the students through professional courses to strengthen their employability quotient.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

Title of the Practice: To Empower Young Girls to Stand Tall in their Fight Against Cyber Abuse.

The Context:

The popularity of the social networking sites increased rapidly in the last decade. In many ways, social media has led to positive changes in the way people communicate and share information. However, it has a dark side, as well. Social networking can sometimes result in negative outcomes, some with long-term consequences. The real growing concern is the online sexual harassment facing our youth, especially young girls. In a recent study in the journal of Cyber psychology, Behavior and Social Networking, they surveyed 1015 students between the ages of 11 and 19. Over 300 had experienced sexual harassment through social media within the previous six months. Harassment of

women online is at the risk of becoming “an established norm in our digital society”, with women under 30 particularly vulnerable. Harassment ranges from unwanted contact, trolling, and cyberbullying to sexual harassment and threats of rape and death. Likewise examples of cyberbullying can be seen on various social media platforms like Facebook, Twitter and Youtube. Many young girls and boys fall prey to online abuse and cyberbullying, which experts describe as “the intentional use of harmful words to put another person down.” Recent studies show that such heinous activities leave an indelible mark on the psyche of its victims. In an ever-changing world that is increasingly becoming digital, it is important to protect yourself from abuse both online as well as offline.

Objectives:

- To train our girls to fearlessly tackle the menace of cyber abuse.
- To apprise the students of the legal complications pertaining to cybercrime and hacking.
- To teach our girls to not fall prey to insidious online scams by becoming confident and proactive users of technology.
- To awaken the courage of our students to immediately report abuse in case the threats start spilling over from the internet to real life.

The Practice:

We, in the college, are working systematically on a whole range of activities in order to achieve our objectives. The practice aims at not just sensitising females about the lurking dangers in the cyber world, but to overcome them with the help of inputs from experts. We intend to hold regular programs and workshops to raise the necessary awareness regarding the negative consequences of using social media recklessly.

Evidence of success:

- Use of mobile phones has been banned in the college premises.
- Defaulters are heavily fined.
- A workshop on “**Cyber Crime**” was organized by Women Development Cell & Legal Literacy Cell on March 06, 2017. The key speaker of the workshop, Mr. Rakshit Tandon talked about cybercrime in detail. He provided easy solutions to our girls with ample examples to tackle effectively the growing menace of Cyber Crime.

Title of the Practice: Addressing Women’s Needs for Financial Inclusion by Enhancing their Vocational Skills

The Context:

Financial independence is the most important factor that controls the quality of a woman’s life. It is one of the most liberating aspects that helps them lead a quality life with respect. When they are

financially stable, they can bear their own expenses, they don't need to borrow money from others in order to cater to their needs. Earning money gives them a sense of accomplishment and self-identity, allowing them to evolve into better human beings. Sit at home women often suffer a feeling of guilt, as they feel that they are not using their time productively. Hence, it is important to train young girls to become financially independent.

Objectives:

- To teach our girls to stand tall with dignity.
- To enable our students to self-sufficiently fulfil their dreams and aspirations.
- To enhance the professional skills and employability quotient of our students.
- To inspire our girls to become a role-model to others.

The Practice:

We, in the college, are working earnestly to bridge the gap between static university education and the changing socio-economic environment. We intend to make our students skilled in a particular field at a comparatively lower age. Thrust is laid on skill development and entrepreneurship through job-oriented courses such as Multimedia/Animation/Web-designing, Health Care, GIS & Remote Sensing, Food Science and Quality Control, Functional English, Fashion Designing, Cosmetology etc.

Evidence of success:

B.Voc. (Fashion Technology) final year students are successfully running a **boutique** in the college premises under the able guidance of Ms Lakhwinder Kaur (Head, Dept. of Home Science). Ms. Swetambari is the teacher in charge of the boutique. All types of designer/casual/party wear garments are stitched and designed at reasonable prices. Table covers, pillow covers and bed sheets are also available in the boutique.

A **Fashion Show**, Belleza- Rock the Floor, was held on March 25, 2017 in the auditorium of KVA DAV College for Women, Karnal. The annual fashion show was organized by the Department of Home Science to display the assorted creativity and fine workmanship of the students. Mrs Kiran Chopra – Founder Chairperson of the Punjab Kesari Club was the chief guest and Mrs. Mamta Bansal, Managing Director of Joy lap OPS Jewels Pvt. Ltd. was the Guest of Honour. The invited luminaries appreciated and lauded the innovative creations of the students. A total of 10 rounds were held during the event, namely- Rising Stars, Gandhian Fab, Garnir Volto, Cultural Heritage, India's Pride, Fight for Black and White, Wedding Bells, Tricky Sprangle, Lustra Pano and Conventional Attires.

The judges of the above mentioned rounds were- Dr. Simirita Singh (Professor, Niift, Mohali) and Dr. Anuh Gupta (Professor, Panjab University, Chandigarh).

The annual fashion show is a tradition and rite of passage for the college students, providing them with the requisite skills and the right training for a promising career in the Fashion industry.

It was a matter of great pride for the college that the event was sponsored by industry stalwarts like Pooja Professionals and OPS Jewels Pvt. Ltd. The faculty members cheered up the designers and runway student-models while they were displaying their astounding array of work. While their individual styles were diverse, their collections found commonality in passion, creativity, and enthusiasm. Principal, Dr. Reeta Sehgal, congratulated the entire department for working diligently for making the event a grand success.

The students of Home Science, Fashion Technology, Cosmetology and Food Processing showcased their stellar creativity in the **Diwali exhibition** organized on October 25, 2016. Like Fashion show, Diwali exhibition is also held annually. The exhibition is all about promoting various student initiatives. To further realize our objective of strengthening our young girls, the exhibition features festive Diwali products exclusively designed by our students like fancy diyas, Rangoli colors, colored chips, floating candles, shagun envelopes, handkerchief, pooja thali etc.
