Principal's Message

'SANKALP' - *To resolve to do better than the best! KVA DAV had been set up with a vision to create an environment that offered the young girls to blossom intellectually and spiritually. Besides academic fete, our students also displayed exemplary performance in sports at the International and National level. The past academic year was certainly a blessed one. Sharing the accomplishments through 'SANKALP' gives me both a sense of pride and a stronger pedestal to uphold the glorious tradition of DAV. As our students continue to hold aloft our vision, our staff dutifully guides their journeys. It is absolutely gratifying to witness this team work going in tandem.*

Our college is excelling day by day in curricular, co-curricular and extra-curricular activities by giving birth to new stars who are out shinning on world stage. Our motto 'WE' which stands for Women Empowerment is followed in every sense. Our students are becoming fearless, courageous, strong, dauntless by our 'Panchmukhi' Education and also bringing laurels.

I pray to the Almighty to keep us close to His radiance and bless us with the determination to remain consistent in our efforts.

I congratulate the team of 'SANKALP' for efficiently drafting the saga of success.

With a humble gratitude for all our well wishers.

Mrs. Sujata Gupta
