

## KVADAV Alumni Association

The KVADAV Alumni Association of the college works in the direction of strengthening the bond of our illustrious alumni who are stationed at respectable positions and rendering their services to society in various capacities. The association has been actively engaged for almost two decades in providing a platform for the alumnae of the college to make significant contribution in the development of the institution and setting an ideal for the current students. The association aims to organize Annual Alumni meet, either in offline mode or the online/blended mode to not only revive and replenish the bond of our alumnae but also to seek their valuable insights and inputs in order to create a positive impact on the developmental plans of the institution. Under the able leadership and guidance of respected Principal Ma'am the association works tirelessly round the year to increase the number of alumnae of the college.
