

Youth and Cultural Affairs Committee

2024-25

The Youth and Cultural Affairs Committee is not just an organizer of fests and functions; it gives a platform to students to showcase their hidden flairs. Through events like debates, theatre, dance, music, and art completion students show their talents in every activity. YCAS shapes the raw talents of students and shapes them to the best for meeting real opportunities on stage. From the first nervous audition to the final bow on stage, the Committee transforms classrooms into rehearsal rooms and students into storytellers, dancers, debaters, and leaders. It gives a voice to every culture, every language, and every quiet ambition that textbooks alone cannot nurture. By planning Inter-Collegiate, cultural meets, festival days, fine art competition, and social drives, it teaches us what no syllabus can. In this learning students understand to work as a team.
